

Dear IARFC Leaders and Affiliates:

The 2007 Financial Advisors Forum promises to be a spectacular event with benefits for every RFC from all corners of the globe.

Foreign & domestic speakers will address the Forum and numerous workshops will provide further benefits to all participants. And, of course, the event will take place in one of the Entertainment Capitals of the World, **Las Vegas**.

May 15 - 17, 2007
Bally's Hotel
Las Vegas, Nevada

The IARFC is interested in gathering international participants, and we need your help. We are offering a special incentive to all our affiliate organizations that you may use in several ways to recruit RFCs to attend the outstanding event.

For every **10 paid registrations** that you refer, the **IARFC will grant \$450** to be used toward your organization's registrations, accommodations, and/or travel.

You may choose to use this as one way to reward your organizational members who recruit registrations. You may want to offer a special early sign up over & above the IARFC program incentive. And you could provide a contest incentive like the special offered in the USA for Early registration.

The choice of how to use this special incentive is up to you. See you in Las Vegas.

Sincerely,

A handwritten signature in black ink, reading 'Judith Fisette-Losz'. The signature is written in a cursive style with a large initial 'J'.
